I'm walking in the park  
And I'm talking to the dark  
But there ain't nobody listening, no

My heart has turned to stone  
When I found myself alone  
Now all I do is whisper to the dark

Yeah, yeah

There's only so much you can take  
You've gotta to give yourself a break  
But I don't think you're listening, no, no, no, no

Gonna take it all so hard  
You gonna tear yourself apart  
I can understand you miss him in the dark

Yeah, teach your heart how to sing get the courage  
again now  
Yeah, take the 10:50 train to the city  
Yeah, I had a chance for romance so I do it again now

Yeah, yeah

If love is no longer being served  
You've got to leave the table  
Mister Aznavour told me

Though I miss him, got to let go  
Though I miss him, got to let go  
Let it go

It's about that time to leave it all behind you  
You don't want to but life is passing by you  
The hard knocks, got you twisted like dreadlocks  
Catalog your dark and set some new marks

I understand your body's filled with hesitation  
Trust me it's gonna be a whole new situation  
Turn this page I guess you know what to do  
Rise up like phoenix I'm bringing out the beauty in you,

what

Yeah, teach your heart how to sing get the courage  
again now

Yeah, take the 10:50pm train to the city, yeah

Yeah, I had a chance for romance so I do it again now

Yeah, yeah

Oh, no, no, no

C'mon, c'mon, c'mon

Oh, no, no, no

C'mon, c'mon, c'mon

Oh, no, no, no

C'mon, c'mon, c'mon

Oh, no, no, no

C'mon, c'mon, c'mon, c'mon, c'mon, yeah

Oh yeah
