I've been loving you  
Without you even knowing  
I'll never forget those days  
Three days in a row  
You were mine alone  
And I haven't seen you since that day  
I'm sorry baby

Baby boy, when I saw you the first time  
I knew right away that you and I  
Were connected in a way  
I believed that there was a way something more  
That I could ever express in my own words  
I just knew at the time  
I belonged to you but it all felt so wrong  
To do the things my heart gave in  
Baby I'm telling you

I've been loving you  
Without you even knowing  
I'll never forget those days  
Three days in a row  
You were mine alone  
And I haven't seen you since that day  
I'm sorry babe

With loads on our minds  
A few goodbyes  
We could never have given it a real try  
But you were in my head always  
And at this point of my life I just know  
That if you let me back in  
I won't let go of you and me spending our lives  
I just know it's a matter of time  
Before it all falls back into place  
Baby believe me

I've been loving you  
Without you even knowing  
I'll never forget those days  
Three days in a row  
You were mine alone

And I haven't seen you since that day  
Baby, baby, baby, baby, baby, baby, baby, uh!

I walk the line and for you I will shine  
Just be prepared for a hell of a ride  
Don't ever doubt 'bout the way I feel  
For heaven sake boy I'm beggin' you  
Eeheeheeheehee!

I've been loving you  
Without you even knowing  
I'll never forget those days  
Three days in a row  
You were mine alone  
And I haven't seen you since that day
