Ticket To Heaven

Im walking a wire  
it feel likes a thousand ways I could fall  
To want is to buy  
but to live is to die and you cant take it all  
And everything is said and done I wont have one thing  
left  
What happened to everything that I ever known

All he gave me was this ticket to heaven  
that ticket to heaven  
said to lie in the bed that you make  
Now Im restless and Im running from everything  
Im running from everything  
Im afraid its a little too late

Its a voices lie  
innocents die  
And all your dreams  
and all your money they dont mean a thing  
When everything is said and done  
you wont have one thing left  
What happened to everything that I ever known

All he gave me was this ticket to heaven  
that ticket to heaven  
said to lie in the bed that you make  
Now Im restless and Im running from everything  
Im running from everything  
Im afraid its little too late  
Its a little too late

All he gave me was this ticket to heaven  
that ticket to heaven,  
said to lie in the bed that you make  
Now Im restless and Im running from everything  
Im running from everything  
Im afraid its a little too late  
All he gave me was this ticket to heaven  
that ticket to heaven

said to lie in the bed that you make  
Now Im restless and Im running from everything  
Im running from everything  
Im afraid its a little too late  
Its a little too late
