Can't sleep tonight,
'Cause you're on my mind.
I guess I'm in love once again.
they say a star,
'Cause that's what you are.
You light up my life once again.

I'll take this chance for another romance in my

Life,
'Cause you're all that I need.

I can't help myself,
From falling in love,
With somebody like you,
'Cause your feelings are true.
Can't help myself,
From falling in love.
For I can't help myself...
From falling for you.

All day I pray,
That forever you'll stay,
And won't let our love fade away.
Hear what I say,
Whatever come away?
We'll be together come what may.

I'll take this chance for another romance in my

Life,
'Cause you're all that I need.

I can't help myself,
From falling in love,
With somebody like you,
'Cause your feelings are true.
Can't help myself,
From falling in love.
For I can't help myself...
From falling for you.

I've never felt this love,
Until you came,
In my mind.

And I can't help myself,
From falling in love,
With somebody like you,
'Cause your feelings are true.
Can't help myself,
From falling in love.
For I can't help myself...
From falling for you.
