Things are fine but in my nights i miss the one
With whom i share my thoughts and dreams
Alone im finding out its hard to be without you here
with me
It makes me crazy

[II]

Days have passed and so the nights get colder
All the more i grow to miss u stronger
No, ive never been in love and hurt like this before
But let me ask you one thing

[Chorus]

CanÂ't we try
To make up for the bad times
Baby canÂ't we try
To bring back all the loving
That is still inside
IÂ'm sure itÂ's right
This could be forever
LetÂ's give it one more try

[repeat II and Chorus]

You see there canÂ't be
Somebody else between us
Seldom do some people find
Another chance like ours
And if we take it then weÂ'll make it through

[repeat Chorus]
