What is this I'm feelin'
I just can't explain
When you're near
I'm just not the same
I'm tryin' to hide it
Try not to show it
It's crazy
How could it be

I've fallen for you
Finally, my heart gave in
And I'm fallen in love
I finally know how it feels

When you said hello
I looked in your eyes
Suddenly, I felt good inside
Is this really happenin'
Or am I just dreaming
I guess, it's true
I can't believe

I've fallen for you
Finally, my heart gave in
And I'm fallen in love
I finally know how it feels
So this is love

Doesn't matter where I am
Thoughts of you still linger in my mind
No matter what time of day
I've really, really
Fallen for you

I've fallen for you
Finally, my heart gave in
And I'm fallen in love
I finally know how it feels
I've fallen for you
Finally, my heart gave in
And I'm fallen in love
I finally know how it feels

So this is love
