Another day passes by, i'm dreamin' of you,  
And though i know it might be just a dream, dreams  
come  
true,  
Somewhere, somehow i'll find you even though it takes  
all  
of  
My life{all of my life}

And when i finally do{and when i finally do}  
I know inside my heart{ i know inside my heart}  
That there could be no doubt, i knew it from the start

{you are the one}you are the one  
That i've been searching for my whole life through,  
{you are the one}you are the one that i've been looking  
for  
And now that i have found you,  
{duet}i'll never let you go, i'll hold you in my arms  
You are the one

Another night spent alone  
I'm lying in the dark{lying in the dark}  
I don't know your name  
But i know your voice sings to my heart{voice sings to  
my

heart}  
A sweet melody, a symphony of love

I know that come one day{i know that come one day}  
I time for you and me{a time for you and me}  
To finally be together, cause i know we're meant to be  
{repeat cho. except last sentence}

Forever's a meaningless word  
Even though you're here with me  
Here by my side, here in my heart

{duet} i'll never let you go i'll hold you in my arms

{you are the one} you are the one that i've been

searching  
for my whole life through  
{you are the one}that i've been looking for and now  
that i  
have found you  
{duet} i'll never let you go, i'll hold you in my arms  
{repeat 1}

Cause you are the one, you are the one
