I need to be around you.

I wanna fall into your eyes.
I'd love to feel you close to me,
But there's no piece of mind.

I live to hear you laughing.
I long to feel your hands fall down,
On the side of me.
A change of life is hard to find,
Cuz there's no piece of mind

If you ever need somebody,
If you ever need somebody to love you,
If you ever need somebody,
You can count on me.

So kiss me for believing
And love me now
For always knowing when to let you go.
A change in life is hard to find,
Cuz there's no piece of mind.

If you ever need somebody,
If you ever need somebody to love you,
If you ever need somebody,
You can count on me.

There's no piece of mind.
Change is hard to find.
Count on me.

If you ever need, If you ever need,
If you ever need, If you ever need,
If you ever need somebody,
You can count on me.

If you ever need somebody,
If you ever need somebody to love you,
If you ever need somebody,
You can count on me.
