Come on baby walk with me  
Come on baby talk with me  
Underneath the tree line  
Oh  
Come on baby lay me down  
We don't have to make a sound  
Underneath the tree line  
Oh  
Sister moon's been shining all day  
Nothing but blue skys coming our way  
Sister moon's been shining all day  
You know what I'm saying

Ooh ooh sunshine  
Ooh ooh goodtime  
Ooh ooh your mine  
No love is stronger than mine  
So come on baby make me see  
You're the only one for me  
Underneath the tree line  
Oh sister moon's been shining all day  
Nothing but blue skys coming our way  
Sister moon's been shining all day  
You know what I'm saying

(( chorus ))

No love is stronger than mine  
Ooh ooh my my  
Ooh ooh good times  
Ooh ooh my my  
Ooh ooh
