You killed me when you came walking down the
sidewalk
Saying everything was fine
Dressed up like a wife of a life, I'll never have
It's so easy to fool me you can turn me on, you can turn
me off
I've had enough of that little boy sandbox stuff

Love you wanted to try
For a life your willing to buy

I knock down walls for you
'Cause I need you

You always grab a hold of the ones you know you can
change
Just a group of loner zeros who will play your game
Something tells them that their luck is gonna change
Round and round you drag them down
So don't tell me that I've gone crazy
You're the one who's trying to fuckin' change me

I knock down walls for you
'Cause I need you
I knock down walls for you
'Cause I want you

Hurt me, break me, make me fall
Crush my heart force me to crawl
Show me love is never real
The wait is worth the pain you feel

Life you wanted to try
For a love you're willing to buy

I knock down walls for you
'Cause I need you
I knock down walls for you
'Cause I need you
'Cause I need you
'Cause I need you
I knock down walls for you, for you

I need you
