I wish I'd seen you, as a little girl  
Without your armor, to fend off the world  
I would have kept you, underneath my wing  
And I would protect you, from everything

Make way for the lemon parade  
Make way for my girl  
Make way for the lemon parade  
Make way for my girl

And did the boys all tease you, when they had the  
chance  
Always left standing, when it came time to dance  
Did you hide behind your books girl, did you find your  
secret friends  
Always I'll want you, always till the end

Make way for the lemon parade  
Make way for my girl  
Make way for the lemon parade  
Make way for my girl

Make way for the lemon parade  
Make way for my girl  
Make way for the lemon parade  
Make way for my girl, make way for my girl
