Yeah

I fell down on my head
Made me start to wonder
How I grown so mad
Not me from the shit
That I was under

Take another shot boy
Now, I'm open
Nobody knows a liar
You can never break me
I'm already broken
Nobody knows a liar
Like I do

Sugar my love, they have done you wrong
Helped you down and kept you from creating
Well, everything that you do takes you long
So keeping my heart something precious
Never learn to be malicious

So take another shot boy
Now, I'm open
Nobody knows a liar
You can never break me
I'm already broken
Nobody knows a liar
Like I do

So take another shot boy
Now, I'm open
Nobody knows a liar
You can never break me
I'm already broken
Nobody knows a liar
Like I do

Take another shot
Take another shot
Take another shot boy
Take another shot

Take another shot
Take another shot boy

You're such a dirty liar
You're such a dirty liar
You're such a dirty liar
You're such a dirty liar
