I'VE GOT JOY

CHORUS

I've Got Joy, real joy, down in my soul
I've Got Joy here from my head down to my toes
With Jesus living here in me, I'm as glad as I can be
'Cause I've got joy down in my soul

Verse

When I was just a little child, you see
We went to Sunday School where we would read
Stories from the Bible's pages 'bout the blessed Rock
of Ages,
Who proved His love for all at Calvary

It was there He gave His life unselfishly
That we might live with Him eternally
When I made Him my soul's choice, deep inside my
heart rejoiced
As Jesus came to live inside of me

CHORUS

I've Got Joy, real joy, down in my soul
I've Got Joy here from my head down to my toes
With Jesus living here in me, I'm as glad as I can be
'Cause I've got joy down in my soul

Verse

The devil tries to get me down, you see
But he can't steal this joy God's given me
I say, "Satan get away, in Jesus' precious name"
And then he has no choice but turn and leave

CHORUS

I've Got Joy, real joy, down in my soul
I've Got Joy here from my head down to my toes

With Jesus living here in me, I'm as glad as I can be
'Cause I've got joy down in my soul

Bridge

If you want this joy of which I sing
Just give your heart to Jesus Christ the King
You'll find He can deliver you from anything you're
going through
You'll want to join along with me and sing

CHORUS

I've Got Joy, real joy, down in my soul
I've Got Joy here from my head down to my toes
With Jesus living here in me, I'm as glad as I can be
'Cause I've got joy down in my soul
