There's a little pile of ashes where my old life used to be

Credit cards and memories all dumped into the sea

Well they say no time for bull as I fly into the sun

Well you can't trust anybody if you can't trust number one

When the man tells me my future is not so far away

Now get ready for tomorrow I've got to waste my home today

Well my inner life knows better well its what I wanna hear

Just like a diamond bullet well its crystal crystal clear

Whoa yeah

I can stop a tornado I can dry up a sea yeah

When I live for the moment there aint no with me

You'll never find your pleasure if you worry about your pain

And you precious little details are stretching out my brain

Well you spin around to bite you nails now let me tell you son

That you can't trust anybody if you can't trust number one

When the man tells me my future is not so far away

Now get ready for tomorrow I've got to waste my home

today

Well my inner life knows better well its what I wanna hear

Just like a diamond bullet well its crystal crystal clear

Whoa yeah

I can stop a tornado I can dry up a sea

When I live for the moment there aint no with me

Now don't you sell me no future yeah

Don't you sell me your love

I aint watching your number

You couldn't pay me enough

I aint buying no future when the past is so far away

I aint buying no future when the past is so far away

I aint buying no future when the past is so far away

I aint buying no future when the past is so far away

Yeah

I can stop a tornado I can dry up a sea yeah

When I live for the moment there aint no with me

Now don't you sell me no future yeah

Don't you sell me your love

I aint watching your number

You couldn't pay me enough

You couldn't pay me enough

You couldn't pay me enough

You couldn't pay me enough

You couldn't pay me enough

You couldn't pay me enough

You couldn't pay me enough

You couldn't pay me enough

You couldn't pay me enough

You couldn't pay me enough

You couldn't pay me enough

You couldn't pay me enough

You couldn't pay me enough

You couldn't pay me enough

You couldn't pay me enough

You couldn't pay me enough

You couldn't pay me enough

You couldn't pay me enough

You couldn't pay me enough

You couldn't pay me enough

You couldn't pay me enough

You couldn't pay me enough

You couldn't pay me enough

You couldn't pay me enough
