Oh little baby you're so fucked up
too much of that and there ain't no love
stay in the closet and be real still
daddy's gonna feed you another pill
tell me what you want and I'll give it back
I think you like a little tiny heart attack
smoking cigarettes in the morning sun
sleep and then you're ready for another round
You're gonna take it
any way you can
You're gonna take it
any way you can
Hmm Hmm Hmm Hmm
Honey bee is a buzzing in my head today
I guess it wasn't guilty but it flew away
saw you with your lover you looked so fine
and now you're on the phone asking me what time
no matter what you say, no matter what you do
I'm never gonna judge you cause I'm worse than you
down in the shows we'll be quite a pair
and life is so much better when you can share

You're gonna take it

any way you can

You're gonna take it

any way you can

Hmm you're gonna take it

any way you can

You're gonna take it

any way you can

Hmm Hmm Hmm Hmm Hmm Hmm

Hmm Hmm Hmm Hmm Hmm Hmm

-Whistle
