Performed by Supertramp)

It was an early morning yesterday

I was up before the dawn

And I really have enjoyed my stay

But I must be moving on

Like a king without a castle

Like a queen without a throne

I'm an early morning lover

And I must be moving on

Now I believe in what you say

Is the undisputed truth

But I have to have things my own way

To keep me in my youth

Like a ship without an anchor

Like a slave without a chain

Just the thought of those sweet ladies

Sends a shiver through my veins

And I will go on shining

Shining like brand new

I'll never look behind me

My troubles will be few

Goodbye strange it's been nice
Hope you find your paradise
Tried to see your point of view
Hope your dreams will all come true
Goodbye Mary, Goodbye Jane
Will we ever meet again
Feel no sorrow, feel no shame
Come tomorrow, feel no pain
Now some they do and some they don't
And some you just can't tell
And some they will and some they won't
With some it's just as well
You can laugh at my behavior
That'll never bother me
Say the devil is my savior
But I don't pay no heed
And I will go on shining
Shining like brand new
I'll never look behind me
My troubles will be few
Goodbye stranger it's been nice etc
