[Verse: Jon Young]  
Aye, Remember Me?  
Yea U Know Me Now  
Butchu Aint Wanna Know Me Then  
And Now U Wanna Be Down

We From The Same Damn Town  
We Went To The Same School  
U Never Wanted Me Around  
But I Aint Trippin, It's Cool

U See This Rappin Paid Off  
Cuz I Aint Get All Caught Up  
In The Drankin & The Smokin  
I Was Neva Popalur

Now U The Onez Braggin Bout  
How We Grew Up Together  
Ya Dick Ridin Cuz I Went From  
Ridin Vinyl To Leather

U Tryna Use Me For Ya Own Gain  
Name Droppin  
Tellin Hoez We Best Friendz  
Tryna Get U Sum Play

But It's All Good  
Go Head And Do Ya Thang  
I Aint Hatin Or Nuttin  
But I Still View U The Same

U Aint Shit  
Aint Got A Damn Thang Goin For Ya  
U Ridin On Dem Coat Tailz  
I Know Ya Type So Well

Oh Well  
I'ma Keep On Movin Along  
I'm Headed To Elsewhere  
See Ya Later I'm Gone

[Verse: J. Cash]  
I Used Be Just Like You  
Its So True.  
A Nobody,  
Outcast Of The High School.

I Had A Crew  
But Only A Select Few.  
That I Used To Run With  
But Never Ever Quite Cool.

But Its Alright Dude,  
Cuz Now IÃ¢m Makin Money Though.  
And Them The Same Ones  
Askin When IÃ¢m Gonna Do A Show.

And You Dont Need To Be A Rapper,  
Just To Go N Blow.  
Cuz IÃ¢m Tell Ya Bout Another Homie,  
That I Used To Know.

He Used To Get Teased,  
CouldnÃ¢t Ever Get The Chicks  
He DidnÃ¢t Stress,  
He Just Worried Bout Getting His.

Come The Weekend,  
And Everybody Thinkin Party  
He Kept His Mind Right,  
Studyin And Workin Harder.

So Now He Got His Own Business  
And A Great Life,  
A Nice Home,  
Clean Ride And A Good Wife.

So The Point Is,  
Think About The Long Run.  
You May Not Fit In Now,  
But Dogg Your Time Will Come.
