Lying awake at night I wipe the sweat  
from my brow  
But it's not the fear 'cos  
I'd rather go now  
Trying to visualize the horrors that  
will lay ahead  
The desert sand mound a burial ground  
When it comes to the time  
Are we partners in crime?  
When it comes to the time  
We'll be ready to die  
God let us go now and finish what's  
to be done  
Thy Kingdom Come  
Thy shall be done... on earth  
Trying to justify to ourselves the  
reasons to go  
Should we live and let live  
Forget or forgive  
But how can we let them go on this way?  
The reign of terror corruption must end

And we know deep down there's

no other way

No trust, no reasoning, no more to say

Afraid to shoot strangers

Afraid to shoot strangers
