And if you're taking a walk through

the garden of life

What do you think you'd expect you

would see?

Just like a mirror reflecting the

moves of your life

And in the river reflections of me

Just for a second a glimpse of my

father I see

And in a movement he beckons to me

And in a moment the memories are all

that remain

And all the wounds are reopening again

We're blood brothers

We're blood brothers

We're blood brothers

We're blood brothers

And as you look all around at the

world in dismay

What do you see, do you think we

have learned

Not if you're taking a look at the
war-torn affray

Out in the streets where the babies
are burned

We're blood brothers

We're blood brothers

We're blood brothers

We're blood brothers

There are times when I feel I'm afraid
for the world

There are times I'm ashamed of us all

When you're floating on all the
emotion you feel

And reflecting the good and the bad

Will we ever know what the answer
to life really is?

Can you really tell me what life is?

Maybe all the things that you know
that are precious to you

Could be swept away by fate's
own hand

We're blood brothers

We're blood brothers

We're blood brothers

We're blood brothers

When you think that we've used
all our chances
And the chance to make
everything right
Keep on making the same
old mistakes
Makes untipping the balance so easy
When we're living our lives on
the edge
Say a prayer on the book of the dead
We're blood brothers
We're blood brothers
We're blood brothers
We're blood brothers
And if you're taking a walk through
the garden of life
