Harris)

After the war

And now that they've sent us homeward

I can't help but feel that I'm on my own

No one can see

Just what this conflict has done to

The minds of the men

Who are on their way home

I'm scarred for life but

It's not my flesh that's wounded

So how can I face the torment alone

The vivid scenes

And all the recurring nightmares

I lay there and sweat until it gets light ...

People say don't worry

Say that time's a perfect healer

That the nightmares they will come to pass

Can't hear what they're saying

I am living in my own world

And I'm feeling trance-like all the time

I hear voices in my head

Could I really be going crazy  
In the night the visions seem so real  
Do you care if you live or die  
When you laugh are you really crying  
You're not sure what's real anymore  
Fortunes of War  
Fortunes of War  
Fortunes of War no pain anymore  
Fortunes of War  
Fortunes of War  
Fortunes of War no pain anymore  
Fortunes of War  
Sometimes I wake  
I feel that my spirit's broken  
I wonder if I've strength ... carry on  
Carry on
