The Vikings are coming, You'd better get ready for
we're having a fight

The longboats are coming, looking like dragons in the
dead of the night

Muster the men from all the villages

You'd better get ready to fight with your enemies

Beacons are burning, I'm giving the word to get ready
to fight

The battle is nearing, You'd better get ready to fight for
your lives

Muster the men from all the villages

You'd better get ready to fight with your enemies

The Norsemen are coming, The Norsemen are coming

The warnings are given, The Norsemen are coming

The Norsemen are coming, The Norsemen are coming

The warnings are given, The Norsemen are coming

Raping and pillaging, Robbing and looting the land

Raping and pillaging, Robbing and looting the land

Viking raiders from afar

The Norsemen are coming, The Norsemen are coming

The warnings are given, The Norsemen are coming

The Norsemen are coming, The Norsemen are coming

The warnings are given, The Norsemen are coming

Raping and pillaging, Robbing and looting the land

Raping and pillaging, Robbing and looting the land

Viking raiders from afar
