Won't you come into my room,  
I want to show you all my wares,  
I just want to see your blood,  
I just want to stand and stare.  
See the blood begin to flow,  
As it falls upon the floor,  
Iron maiden can't be fought,  
Iron maiden can't be sought.  
Oh well, wherever you are,  
Iron maiden's gonna get you,  
No matter how far,  
See the blood flow,  
Watching it shed,  
Up above my head,  
Iron maiden wants you dead
