I've been trying, trying so hard

I've been crying, crying in the dark

Don't forsake me, the time of mine is near

Don't ever break me and the world that brought me  
here

Sick and lonely, waiting for the dawn

Sick and lonely, wondering what to do

Can you hear me, when I say to you

You give me your hand, I'll give mine to you

When the king of twilight shows me

I will take ten steps to see

Forty leaves I pay for freedom

For a chance to be free,

For a chance to be free

When the king of twilight calls you

take a step and you will see

We all need a quick solution

For a chance to be free,

For a chance to be free

Free

When the king of twilight shows me

I will take ten steps to see

Forty leaves I pay for freedom

For a chance to be free,

For a chance to be... FREE
