Smith/Dickinson)

Seven deadly sins

Seven ways to win

Seven holy paths to hell

And your trip begins

Seven downward slopes

Seven bloodied hopes

Seven are your burning fires

Seven your desires....

I am he the bornless one

The fallen angel watching you

Babylon, the scarlet whore

I'll infiltrate your gratitude

Don't you dare to save your son

Kill him now and save the young ones

Be the mother of a birth strangled babe

Be the devils own, Lucifer's my name

Moonchild - hear the mandrake scream

Moonchild - open the seventh seal

Moonchild - You'll be mine soon child

Moonchild - take my hand tonight

I count the heads of those unborn  
The accursed ones I'll find them all  
And if you die by your own hand  
As a suicide you shall be damned  
And if you try to save your soul  
I will torment you - you shall not grow old  
With every second and passing breath  
You'll be so alone your soul will bleed to death  
Moonchild - hear the mandrake scream  
Moonchild - open the seventh seal  
Moonchild - You'll be mine soon child  
Moonchild - take my hand tonight  
The twins they are exhausted, seven is this night  
Gemini is rising as the red lips kiss to bite  
Seven angels seven demons battle for his soul  
When Gabriel lies sleeping, this child was born to die  
One more dies one more lives  
One baby cries one mother grieves  
For all the sins you will commit  
You'll beg forgiveness and none I'll give  
A web of fear shall be your coat  
To clothe you in the night  
A lucky escape for you young man  
But I'll see you damned in endless night
