there are times when i wondered  
and times when i cried  
when my prayers they were answered  
at times when i've lied  
but if you asked me a question  
would i tell you the truth  
now there's something to bet on  
you've got nothing to lose  
when i've sat by the window  
and gazed at the rain  
with an ache in my heart  
but never feeling the pain  
if you would tell me  
just what my life means  
walking in a long doar  
never reaching the end  
god give me the answers to my life  
god give me the answers to my dreams  
god give me the answers to my prayers  
god give me the answers to my being
