I've been looking so long for you now you won't get
away from my grasp.

You've been living so long in hiding in hiding behind
that false mask.

And you know and I know that you ain't got long now to
last.

Your looks and your feelings are just the remains of
your past.

You're standing in the wings, there you wait for the
curtain to fall.

Knowing the terror and holding you have on us all.

Yeah, I know that you're gonna scratch me, maim me
and maul.

You know I'm helpless from your mesmerising cat call.

Keep your distance, walk away, don't take his bait.

Don't you stray, don't fade away.

Watch your step, he's out to get you, come what may.

Don't you stray, from the narrow way.

I'm running and hiding in my dreams you're always
there.

You're the Phantom of the Opera, you're the devil,
you're just out to scare.

You damaged my mind and my soul it just floats
through the air.

Haunt me, you taunt me, you torture me back at your
lair
