Love is a razor

And I walked the line on that silver blade

Slept in the dust with his daughter

Her eyes red with the slaughter of innocense

And I will pray for her

I will call her name out loud

I would bleed for her

If I could only see her now

Living on the razor's edge

Balancing on the ledge

The evil that men do lives on and on

Circle of fire my baptism of joy

And an end it seems

The seventh lamb slain

The book of opens before me

And I will pray for you

Some day I will return

Don't you cry for me

Beyond is where I learn
