I'm on the run, I'll kill to eat,
Starving now, feeling dead on my feet.
Going all the way, I'm nature's beast.
Do what i want, I do as i please.
Run, you've gotta fight, to breathe, it's tough.
Now you see me, now you don't.
Break the walls, I'm coming out.
I'm not a prisoner, I'm a free man,
And my blood is my own now.
Don't care where the past was,
I know where I'm going...out.
If you kill me, it's self defence.
If I kill you, then I call it vengeance.
Spit in your eye, I will defy.
You'll be afraid when I call out your name.
Run, you've gotta fight, to breathe, it's tough.
Now you see me, now you don't.
Break the walls, I'm coming out.
I'm not a prisoner, I'm a free man,
And my blood is my own now.
Don't care where the past was,

I know where I'm going.

I'm not a number, I'm a free man,

I'll live my life how i want to.

You'd better scratch me

from your black book,

'Cause I'll run rings around you
