When you start to take a look within  
Do you feel at ease with what you see  
Do you think you can have peace of mind  
And have self belief or be satisfied  
Do you think you even like yourself  
Or really think you could be someone else  
Is there something that you'd rather be  
Never thought you'd be, had the chance to see  
All my life I've run away  
All my life I've tried to hide away  
Feel the paranoia creeping in  
Like a cancer eating at the skin  
Do you feel you've lost your self-esteem  
And your self respect, what can you expect  
All my life I've run away  
All my life I've tried to hide away  
All my life... I've run away  
Let my faith... slip away  
All my life... I've run away  
Allowed my faith... to drift away  
Are you scared to look inside your mind

Are you worried just at what you'll find  
Do you really want to face the truth  
Does it matter now, what have you got to lose  
Try to release the anger from within  
Forgive yourself a few immortal sins  
Do you really care what people think  
Are you strong enough to release the guilt  
All my life I've run away  
All my life I've tried to hide away  
All my life... I've run away  
Let my faith... slip away  
All my life... I've run away  
Allowed my faith... to drift away
