I feel it leading me  
Away to I don't know where  
I might be back someday  
But the people and things will change  
And no one will remember me then

Don't need no sympathy  
For soon I'll forget everything  
I feel it fading now  
And I see in the eyes of my love  
Tears for how it might have been

It sure felt good for a while  
Yes, it was good for a while  
I found somebody to take my hand  
To the promised land of the loved

Now as the night draws in  
A dark with no promise of dawn  
I feel my eyes grow dim  
As I see in the eyes of my love  
Tears for how it might have been

It sure felt good for a while  
Yes, it was good for a while  
I found somebody to take my hand  
To the promised land of the loved

Yes, it was good for a while  
It sure felt good for a while  
I found somebody to take my hand  
To the promised land of the loved
