If you want me to I will be your fairy princess  
Your dream of romance  
If you ask me then I can be your queen of darkness  
Take you below

It don't matter at all  
Devil or priestess - teacher or fool  
What you want will be what you receive  
I am the answer to all of your dreams

If you wanted a creature from another dimension  
I'm the answer  
If you wanted a reason for an endless conflict  
I'm the one

It don't matter at all  
Devil or priestess - teacher or fool  
What you want will be what you receive  
I am the answer to all of your dreams

I can be your nightmare  
And then I'll take you places you didn't mean to go  
Or take a long look  
Into the future  
I'll tell you many things that you didn't want to know

If you want me to I will be your humble servant  
Need your protection  
If you ask me then I can be your fearless fighter  
Your Joan of Arc

It don't matter at all  
Devil or priestess - teacher or fool  
What you want will be what you receive  
I am the answer to all of your dreams

Build me up - bring me down  
Put me back on my feet again  
Please leave me alone

If you want me to I will be your fairy princess  
Your dream of romance

If you ask me then I can be your queen of darkness  
Take you below

It don't matter at all  
Devil or priestess - teacher or fool  
What you want will be what you receive  
I am the answer to all of your dreams

Build me up - bring me down  
Put me back on my feet again  
Please leave me - please leave me alone
