So I met dis shawty da other day,
I got her number called her up,
Like what you doning, she said nuttin,
I said what's good, she said not much,
I said guess what, she say what's up,
I say I think we should hook up
She said ughh, I said what,
She said but, I said but, why you stuck
She said fuck, I said who,
She said not u, I said then who
She said u no, I no what
U no who, I said I do
She said u do, I said I do but I really don't,
Because it's u dat I really want,
N we can do what u really want,
Girl we grown,
N if he ain't gon' treat u rite,
Then I ain't gon' treat u wrong, dats my word,
N she herd so many lies she don't no what's true or not,
Shawty like a vallet service I said she been threw alot,
But I put her car on park n never let her cry alone,
I listen 2 her heart beat because it plays my favorite
song

I can hear your heart crying out for me (crying out for
me)

I can hear your heart crying out for me
(And it keeps on saying) Come on in, come on in come
on in and save

(And it keeps on saying) Come on in, come on in come
on in and save

(I can baby) I can hear your heart crying out for me

Baby, I should've never caught feeling

But baby having late night conversation on your sofa
You telling me how he played you out over and over,
over and over
But I'm stuck in the middle of seeing you hurt
I know when you love him
And you wanna make it work
And I can't help but think that I knew you first
It's getting louder
Girl I can't ignore it no more baby

I can hear your heart crying out for me (crying out for me)
I can hear your heart (oh yeah) crying out for me
(And girl it's saying)
Come on in, come on in, come on in and save (Save me)
Come on in, come on in, come on in and save (oh oh oh)
I can hear your heart (I can hear it yeah) crying out for me
Girl it's crying it's crying

I don't wanna confuse things (no)
But I just can't keep lying to myself
When you're holding me (when you're holding me)
I can feel your pain oh baby let me be your dream
I'm the answer come see me (see me)
And u don't have to cry no more (u don't have to cry)

Girl I can hear your heart baby
I can hear your heart
Girl it's crying
Won't you listen to your heart, baby

I can hear your heart crying out for me (girl it's crying out for me)
I can hear your heart crying out for me
(And it's saying)
Come on in, come on in, come on in and save (Save me)
Come on in, come on in, come on in and save
I can hear your heart crying out for me

Girl I can hear, hear it cry for me, for me, for me, for me

Ladies wave your hands in the air
Ladies wave your hands in the air

Oh baby
It's crying for me

It's crying for me for me
