Welcome, sister, freely step in my shoes
Take that twister, help me 'cause my heart bleeds
I won't cry no more, take away my lonesome blues
I was blind and stupid when I spent my dreams on him
(Yeah, yeah)

And if I ever, if I ever meet him (No, no)
No, I will never, I will never want him (Yeah, yeah)

Fairytale about love - this lady knows so well
There's no sound of music in the broken bell, yeah
If someone doesn't care about you, don't be sad and blue

Fairytale about love - this lady knows so well
There's no sound of music in the broken bell, yeah
If someone doesn't care about you, just don't waste your time
Never, never free - you'd better run away

(Wala pa pa pa pa... wala pa pa pa...)
(Wala pa pa pa pa... wala parapa para pa...)

Welcome, sister, the club is open, sign in
Take these members, be prepared for crying
I am sad no more, you took away my lonesome blues
I was blind and stupid when I spent my dreams on him
(Yeah, yeah)

And if I ever, if I ever meet him (No, no)
No, I will never, I will never want him (Yeah, yeah)

Fairytale about love - this lady knows so well
There's no sound of music in the broken bell, yeah
If someone doesn't care about you, don't be sad and blue

Fairytale about love - this lady learnt so well
There's no sound of music in the broken bell, yeah
If someone doesn't care about you, just don't waste your time

Never, never free - you'd better run away
(Parapa para pa...)
