Dobro jutro, srce mi se smijeÅii
Tebe neÅļe, s tobom samo grijeÅii
RijeÅ"i utjehe meni nisu potrebne
Ne volim te viÅie, samo dalje od mene, ne, ne

Ja imam ono Åito se zove srce
Zbog tebe ono traÅ¼i svoje sunce

Na jastuku za dvoje od iluzija
Misli sve su dalje kilometrima
Putuje ljubav nekom' drugom snove razbija

Na jastuku za dvoje sama sad sam ja
Koraci se niÅ¼u kilometrima
Putuje ljubav nekom drugom snove razbija
Ne znam ko je on, al' ÅekaÅu ga ja

(Wala pa pa pa pa... wala pa pa pa...)

Welcome, sister, the club is open, sign in
Take these members, be prepared for crying
I am sad no more, you took away my lonesome blues
I was blind and stupid when I spent my dreams on him
(Yeah, yeah)

And if I ever, if I ever meet him (No, no)
No, I will never, I will never want him (Yeah, yeah)
Fairytale about love - this lady knows so well
There's no sound of music in the broken bell, yeah
If someone doesn't care about you, don't be sad and blue

Fairytale about love - this lady learnt so well
There's no sound of music in the broken bell, yeah
If someone doesn't care about you, just don't waste your time
Never, never free - you'd better run away
(Parapa para pa...)
