Blue Moon

From the Movie "Apollo"
Performed by Tony Bennett

Blue Moon
You saw me standing alone
Without a dream in my heart
Without a love of my own

Blue Moon
You knew just why I was there for
You heard me say a prayer for
Someone I really could care for

And then there suddenly appear before
The only one my arms could ever hold
And then somebody whisper
Please adore me
And when I looked the moon
Had turned to gold

Blue moon
Now I am no longer alone
Without a dream in my heart
Without a love of my own
