-Words and Music by Hank Williams

I tried so hard, my dear, to show that you're my every dream

Yet you're afraid each thing I do is just some evil scheme

A memory from your lonesome past keeps us so far apart

Why can't I free your doubtful mind and melt your cold, cold heart?

Another love before my time made your heart sad and blue

And so my heart is paying now for things I didn't do
In anger unkind words are said that make the teardrops start

Why can't I free your doubtful mind and melt your cold, cold heart?

You'll never know how much it hurts to see you sit and cry

You know you need and want my love yet you're afraid to try

Why do you run and hide from life? To try it just ain't smart

Why can't I free your doubtful mind and melt your cold, cold heart?

There was a time when I believed that you belonged to me

But now I know your heart is shackled to a memory
The more I learn to care for you, the more we drift apart

Why can't I free your doubtful mind and melt your cold,
cold heart?
