Come, let's take the A train  
Duke's songs will take you right straight up to heaven

Someone told someone and someone told you  
But they wouldn't hurt you, not much  
Since everyone spreads the story  
With his own little personal touch

Do nothin' till you hear from me  
Pay no attention to what's said  
Why people tear the seams  
Of anyone's dream is over my head

Do nothin' till you hear from me  
At least consider our romance  
If you should take the words  
Of others you've heard, I haven't a chance

True, I've been seen with someone new  
But does that mean that I'm untrue?  
When we're apart, the words in my heart  
Reveal how I feel about you

Some kiss may cloud my memory  
And other arms may hold a thrill  
But please do nothin' till you hear it from me  
You never will

Some kiss may cloud my memory  
And other arms may hold a thrill  
But please, do nothin' till you hear it from me  
You never will, never will  
You never will
