Should we keep going?
You got it

I missed the Saturday dance
I heard they crowded the floor
It's awfully different without you
Don't get around much anymore

I thought I'd visit the club
I got as far as the door
They'd have asked me about you
Don't get around much anymore

Darling, I guess that my mind's more at ease
Nevertheless, why stir up memories

I've been invited on dates
I might have gone but what for
It's awfully different without you
Don't get around much anymore

I've been invited on dates
I might have gone but what for
It's awfully different without you
Don't get around much anymore, more, more, more
No baby, don't get around much anymore
