You are the summer
And I am the autumn
Don't wait too long
Your song's beginning
While mine has been sung
Don't wait too long

Fall is a lovely time of the year
When leaves turn to golden brown
But soon fall is ending
And winter is near
And the leaves start tumbling down

Why must the moments
Go by in such haste
Don't wait too long
Winter is coming
I've no time to waste
Don't wait too long

So while my heart's gay
And foolish and free and
Still can sing it; s song
Share every precious moment with me
Don't wait too long
