I call her Firefly  
Cause, oh, my  
She radiates moonglow  
Wants none of that noon glow  
She starts to glitter  
When the sun goes down

Bout eight p.m., it's mayhem  
She switches those brights up  
Lights up and gives me a call  
Take me to the Fireflies ball

But when I get her there  
Set her there  
Do I get to pet her there  
And grab me some glow

No, she's a gad about, mad about  
Luring every lad about  
While leaving me moaning low

Oh, Firefly, why can't I  
Latch on for you no how  
Oh, how I love you but gee  
While you set the night on  
Firefly, shine a little light on me  
But when I get her there  
Set her there  
Do I get to pet her there  
And grab me some glow

No, she's a gad about, mad about  
Luring every lad about  
While leaving me moaning low

Oh, Firefly, why can't I  
Latch on for you no how  
Oh, how I love you but gee  
While you set the night on  
Firefly, shine a little light on  
Shine a little light on  
Shine a little light on me

(in the mornin')
