For once in my life I have someone who needs me
Someone I've needed so long
For once, unafraid, I can go where life leads me
And somehow I know I'll be strong

For once I can touch what my heart used to dream of
Long before I knew
Someone warm like you
Who could make my dreams come true

For once in my life I won't let sorrow hurt me
Not like it's hurt me before
For once I have someone I know won't desert me
I'm not alone anymore

For once I can say this is mine, you can't take it
Long as I know I have love I can make it
For once in my life I have someone who needs me

For once I can say this is mine, you can't take it
Long as I know I have love I can make it
For once in my life I have someone who needs me
For once in my life, for once in my life
I have someone, someone, I have someone who needs
me
