Good morning heartache, you old gloomy sight  
Good morning heartache, thought we said goodbye  
last night  
I turned and tossed until it seemed you had gone  
But here you are with the dawn

Wish I'd forget you, but you're here to stay  
It seems I met you and my love went away  
Now, everyday I start by saying to you  
Good morning heartache, what's new?

Stop haunting me now, can't shake you, no how  
Just leave me alone, I've got those Monday blues  
Straight through Sunday blues  
Good morning heartache, here we go again

Good morning heartache, you're the one who knew me  
when  
Might as well get used to you hanging around  
Good morning heartache, sit down, sit down, sit down
