I guess, I'll have to change my plan
I should have realized there'd be another man
I overlooked that point completely
Until the big affair began

Before I knew where I was at
I found myself upon the shelf and that was that
I tried to reach the moon but when I got there
All that I could get was the air

My feet are back upon the ground
I've lost the one girl, I'd found

Before I knew where I was at
I found myself upon the shelf and that was that
I tried to reach the moon but when I got there
All that I could get was the air

My feet are back upon the ground
I've lost the one girl, the one girl I had found
