"I Thought About You"

1. I took a trip on a train,
And I thought about you -
I passed a shadowy lane,
And I thought about you -
Two or three cars,
Parked under the stars -
A winding stream -
Moon shining down on some
Little town,
And with each beam-
The same old dream.

2. And every stop that we made,
Oh, I thought about you-
And when I pulled down the shade -
Then I really felt blue -
I peeked through the crack,
And looked at the track -
The one going back to you -
And what did I do -
I thought about you.
