Up Madison, down Park, everyday and often after dark
Pretending that we'll meet
Each time I turn a corner, I walk a little faster
Pretending life is sweet
'Cause love's around the corner, I walk a little faster

Can't begin to see my future shine as yet
No sign as yet, you're mine as yet
Rushing t'ward a face I can't define as yet
Keep bumping into walls taking lots of fall

But even though I meet at each and every corner
With nothing but disaster
I set my chin a little higher, hope a little longer
Build a little stronger castle in the air
And thinking you'll be there, I walk a little faster

But even though I meet at each and every corner
With nothing but disaster
I set my chin a little higher, hope a little longer
Build a little stronger castle in the air
And thinking you'll be there, I walk a little faster
