If I could be with you I'd love you strong  
If I could be with you I'd love you long  
I want you to know I wouldn't go  
Until I told you, honey, why I love you so

If I could be with you one hour tonight  
If I was free to do the things I might  
I'm telling you true, I'd be anything but blue  
If I could be with you

If I could be with you one hour tonight  
If I was free to do the things I might  
I'm telling you true, I'd be anything but blue  
If I could be with you for just an hour  
If I could be with you
