If we never meet again  
I'll have a rose to remember  
The snows of December  
Will bring you back to me

If we never meet again  
I'll fall asleep in the flowers  
Dream of the hours  
We spent in ecstasy

The leaves in the fall  
Will wreek of the beauty  
I found in your eyes

The birds in the spring  
When they sing  
Will tell me that love never dies

If we never meet again  
As sure as heaven above you  
Forever I'll love you  
If we never meet again

The leaves in the fall  
Will wreek of the beauty  
I found in your eyes

The birds in the spring  
When they sing  
Will tell me that love never dies

If we never meet again  
As sure as heaven above you  
Forever I'll love you  
If we never meet again
