"I'll Be Seeing You"

Cathedral bells were tolling and the hearts sang on
Was it the spell of Paris or the April dawn?
Who knows if we shall meet again
But when the morning chimes ring sweet again, sweet
again

I'll be seeing you in all the old familiar places
That this heart of mine embraces all day through
And that small cafe, the park across the way
The children's carousel, the chestnut tree, the wishing
well

I'll be seeing you in every lovely summer's day
In everything that's light and gay, I'll always think of
you that way
I'll find you in the morning sun and when the night is
new
I'll be looking at the moon but I'll be seeing you
