In the middle of an island  
In the middle of the ocean  
You and I beneath the moonlight  
With just the monkeys and the palm trees

In the middle of an island  
When it's time to do some kissin'  
Plenty time for lotsa lovin'  
And walkin' barefoot in the sand

Though there's no island at all  
Just a picture on my wall  
My darlin', how I wish we could be  
(I wish that we could be)

In the middle of an island  
In the middle of the ocean  
You and I forever, darlin'  
In a paradise for two (in a paradise for two)

Though there's no island at all  
Just a picture on my wall  
My darlin', how I wish we could be  
(I wish that we could be)

In the middle of an island  
In the middle of the ocean  
You and I forever, darlin'  
In a paradise for two  
(In the middle of the ocean on an island kissin' you)
