I've never met you, yet never doubt you
I can't forget you, I've thought [Incomprehensible]
I know your profile and I know the way you kiss
Just the thing I miss on a night like this

If dreams are made of imagination
I'm not afraid of my own creation
With all my heart, my heart is here for you to take
Why should I quake, I'm not awake

Isn't it romantic, music in the night
A dream that can be heard
Isn't it romantic, moving shadows write
The oldest magic word

I hear the breezes playing
In the trees above
While all the world is saying
You were meant for love

Isn't it romantic, merely to be young
On such a night as this
Isn't it romantic, every note that's sung
Is like a lover's kiss

Sweet symbols in the moonlight
Do you mean that I will fall
In love perchance?
Isn't it romance

Isn't it romantic, soon I will have found
Some girl that I adore
Isn't it romantic, while I sit around
My love can scrub the floor

She'll kiss me every hour
Or she'll get the sack
And when I take a shower
She can scrub my back

Isn't it romantic, on a moonlight night
She'll cook me onion soup

Kiddies are romantic and if we don't fight
We're sure to have a truth

We'll help the population
It's a duty that we owe
To dear old friends
Isn't it romance
